the fine art of beauty

PRODUCT CATALOGUE

# Mistair Professional. Perfect airbrushing at a stroke.

## Beauty is big business.

Airbrushing is an Art that can enhance beauty beyond conventional make-up techniques, but it is a fine art that requires the skills of specialists using the highest quality equipment and products.

Mistair is the leading choice of Airbrushing professionals. The name they rely on for perfect results, every time.

Our unique all-in-one system offers you a complete range of product lines for the 5 main professional airbrush techniques - make-up, body paint, body art, hair art and nail art - backed by 25 years of experience and a reputation for quality products and service.

You'll find everything here in our brochure. That's the beauty of choosing Mistair. It's all you need for perfect airbrushing at a stroke.

# Our make-up. Secret of the stars...

**mistair**  
PROFESSIONAL

Mistair Hi-Definition airbrush make-up ensures a naturally flawless, even finish every time, with only the lightest of applications. Its unique super-light formulation flows through the airbrush easily without blocking, atomising at low pressure for ease of use.

## An 'airbrushed' celebrity finish every time.

It's comfortable to wear day-to-day and for long hours of filming, photo-shoots or catwalk shows. It offers the ultimate performance & durability in the most demanding conditions of humidity and heat, and is transfer and rub resistant when dry. Silicone based, it moves in harmony with the skin and helps to prevent dehydration.

Long lasting and breathable, the Mistair Professional range covers every aspect of airbrush make-up application - with foundation, blusher, highlight/shimmer, brow, black/white and adjuster colours available. The unlimited fully intermixable colour palette feels smooth and light on even the most sensitive of skins.

Available in 7.5ml starter packs & individual 30ml professional sizes. Suitable for face & body.

## blushers.

## foundations.

### Individual 30ml Foundation Colours

The natural properties of silicone impart a soft-focus that radiates a healthy and youthful glow on any skin type. See colour chart for individual product codes

# mistFX™. An impressive body of work

Great works of art don't just take place on canvas. Our mistFX™ range of aqua face and body paints is creating quite a stir on the body painting scene.

That's because, they offer the best coverage and brightest colour range available.

Totally unique, these highly versatile and durable paints have an incredibly high pigment concentration, producing colours that are true, strong and explosive. They allow the professional body artist endless creative possibilities in bringing work to life in the most stunning effect.

mistFX™ can be applied using any method of application - Sponge, Brush or Airbrush, without compromising on levels of coverage and brightness of colour.

## mistFX™ Aqua Body Paint

60ml

- Suitable for use on all areas of face & body.
- Smudge & transfer resistant when dry.
- 24 fully intermixable colours – Mixture of matte & pearlescent.
- Pre-formulated for airbrush use.

# Body Art. From small designs to 3D effects

Create a great body of work with this incredibly resilient Isopropyl alcohol based paint. Bright, strong colours are easily mixed to create every imaginable shade and design -from small single-colour works to intricate multicoloured, three-dimensional effects. Dried with a setting powder to a matte sheen that offers run, smudge and water-resistant finish, they can be airbrushed directly onto the skin using laser-cut stencils or freehand. In fact, this paint is so durable designs can last up to 5 days.

- Available in 10 colours
- Vast portfolio of stencils
- Add self-adhesive crystals (available from Mistair™) to enhance Body Art designs

## SETTING POWDER

# Hair Art. Head of the class

In a range of 13 natural and 12 vibrant fashion colours, Mistair comes out on top for non-permanent water based airbrush hair colouring systems.

Natural looking highlights or rich eye-catching colour, the results are stunning every time. Easy to apply, you simply spray directly onto the hair in just a few seconds freehand or using stencils. Then it simply washes out with normal shampoo leaving no residue - even on coloured or bleached hair! It's also been specially formulated so the colour pigment grind is too large to penetrate hairs cuticle, making it suitable for use on all hair types and colours without risk of staining

Totally exclusive to Mistair, it offers instant hair colouring at it's creative best and fashionably finest.

- Temporarily colours hair
- Clean and simple to use
- Vast portfolio of stencils
- Colours easily mixed to create many shades.
- Available in 28 colours – mixture of matte & pearlescent

# Airbrushes. Perfection in your hands

Mistair Airbrushes are fully compatible with all our equipment and for all applications: Make-up, Facial Tanning, Body Painting, Body Art, Hair Art, Nail Art, They come with a wide range of accessories including various sized colour cups, side feed bottles and gravity feed bottles.

The SL1000

Single set-up

PRODUCT CODE **MA8000/SL**

Dual set-up (0.2 & 0.4mm)

PRODUCT CODE **MA8000**

Versatile, high end, professional. The SL1000 is a top of the range precision engineered airbrush, and the perfect companion for the professional airbrush artist.

Interchangeable needle/nozzle setup to widen/narrow spray angle.

Three needle sizes available:

0.2mm – ideal for fine, detailed work. e.g.: nail art, eye make-up

0.4mm – ideal for working on medium sized areas. e.g.: foundation, blusher etc

0.6mm – Ideal for working on large areas e.g.: Body, hair etc

All nozzle/needle set-ups sold individually.

The MA35

PRODUCT CODE **MA35**

This entry-level airbrush offers sturdy construction and fantastic value.

It is simple to operate, easy to clean and suitable to use with all compressors for make-up, facial tanning, body painting, body art, hair art and nail art.

Fixed 0.35mm set-up – not as much flexibility; unable to widen or narrow spray angle.

# Compressors. Putting you in control

Compact and lightweight, market leading Mistair compressors put the power and control for optimal Airbrushing into your hands.

Mistair™ Freedom Full Kit

1 PSI 25

PRODUCT CODE **MA6052**

Perfect for make-up artists as secondary compressor - ideal for use on location when mains power supply is unavailable. The Freedom is the smallest of our compressors and is compact and extremely portable.

- Includes compressor, power cord & airline
- Re-chargeable battery pack & charger
- Carry bag
- Suitable for airbrush make-up
- Designed for short usage
- Operating PSI 2-12

## Mistair™ Freedom Kits

Mistair Freedom, Airline & Power Cable

PRODUCT CODE **MA6100**

Mistair Freedom Wireless Kit (Battery, Charger & Carry Bag)

PRODUCT CODE **MA6101**

Mistair™ Duo

2 PSI 60

PRODUCT CODE **MA6018**

The Duo is suitable for all disciplines including high speed tanning\* and it can run 2 airbrushes simultaneously. Its twin cylinders provide an unrivalled airflow quality.

- Includes a mains adaptor and in-built PSI regulator.
- Comes complete with twin cylinder and moisture filters
- Operating PSI of 2-35.

\*Separate gun dedicated to tanning available (Duo Spray Gun - MA9909)

### KEY

Battery Operated

No. of Airbrushes that can be run simultaneously

Runs off Mains

Max PSI

Mistair™ Solo Pro

1 PSI 50

PRODUCT CODE **MASOLOPRO**

Ideal for mobile therapists and make-up artists offering all disciplines with the exception of full body tanning. Portable and lightweight, the Mistair Solo Pro is the most powerful mini-compressor in its class. It's also extremely light weighing in at under 2kg.

- Includes a mains adaptor and PSI adjuster
- Built-in auto cut-off for extended life
- Operating PSI 2-25
- Suitable for all Mistair disciplines

*NB Not ideal for full body tanning but can be used for small areas. Requires 'Solo pro' Spray Tanning Gun - MA9911*

Mistair™ Pro

6 PSI 60

PRODUCT CODE **MA6019**

The Mistair Pro is the largest in the range and is suitable for all applications.

Featuring a separate air tank, it is able to produce and store a large quantity of compressed air. It can also run up to 6 airbrushes simultaneously, making it ideal for salons and colleges alike.

- Includes a mains adaptor and an in-built PSI regulator
- Comes complete with twin cylinder and moisture filters.
- Operating PSI 2-45.
- Suitable for all Mistair disciplines including HVLP high speed tanning (using our 'Pro' Tanning Spray Gun - MA9911)

# Accessories & Equipment. The full works

No Airbrushing system would be complete with out a full range of accessories and equipment. Mistair leads the field and fulfils all your professional Airbrushing needs.

## Mistair™ Outlets

Mistair outlets provide a simple & straightforward way to supply two or more airbrushes from one air source, typically being fitted directly to the airbrush compressor outlet. All outlets supplied with blanking caps to enable single use.

CLEANING BRUSH SET

5 Brushes

**MA6029**

A handy item for cleaning airbrush nozzles & other hard to reach areas, each brush is individually designed for thorough cleaning of your airbrush

- Solvent proof nylon bristles
- Smaller sizes suitable for nozzle & needle cap cleaning
- Larger sizes suitable for airbrush body & paint path
- Flexible rust proof stainless steel
- 2, 2.5, 3.2, 4, & 5mm brushes
- Supplied with retaining ring

NOZZLE CLEANING NEEDLE

**MA124408**

This Nozzle Cleaning Tool has been specifically designed to effectively clean the inner section of airbrush product nozzles

- Especially good when hard, dried product is present inside the nozzle

NOZZLE CLEANING BRUSH DUO

2 Brushes

**MA124409**

This Airbrush Nozzle Cleaning set is specifically designed to keep your airbrush nozzles, air caps, product paths and feed pipes in good working condition.

THE AIRBRUSH CLEANING CUP

**MA6030**

This basic cleaning cup allows the cleaning solution to be sprayed through your airbrush.

- Designed to capture overspray when changing colours or products.
- Suitable for use with all airbrushes within the Mistair range

#### SUCTION/SYPHON FEED ADAPTER SET FOR SL1000

2 X 15ml  
Glasses

**MA12403**

Efficiently converts airbrush from gravity feed to side feed allowing a greater volume of product to be used. Perfect for avoiding spills when angling your airbrush.

- Side feed connector for 15ml glass jar complete with lid & product feed pipe
- Often utilised in body art

#### THE 50ml PLASTIC COLOUR CUP & LID

**MA124406**

This large plastic colour cup enables a greater volume of product to be used.

- Compatible with SL1000 Airbrush
- Largest colour cup within range
- Often utilised in body art / body painting

#### CUP & LID

2ml Cup

**MA12055**

2ml Lid

**MA12056**

5ml Cup

**MA12049**

5ml Lid

**MA12050**

- Compatible with SL1000 Airbrush.
- Used to increase liquid volume beyond standard airbrush cup size
- All cups and lids are made from stainless steel.

#### MISTAIR™AIRBRUSH SPRAY-OUT POT

**MA5712**

The perfect accessory to any airbrush kit, this clever little product is designed with a filtration system to capture unwanted overspray from the breathing zone.

- Simple to use
- Minimises overspray and smell when emptying your airbrush
- The integrated airbrush stand is suitable for both of the gravity fed airbrushes within the range, and has a replaceable filter element. Supplied with two spare filter elements.

#### OUR PUMP ACTION APPLICATION BOTTLE

60ml

**MA6006**

Our 60ml Pump Action Spray Bottle can be used to spray thin liquids such as IPA

- Creates a fine mist
- Ideal for sanitation of equipment and preparation of the skin prior to application of body art

#### OUR COLOUR ORGANISER

**MA6031**

Mistair's handy colour organizer let's you store your colour bottles in an effective way.

- Suitable for 15ml, 30ml and 75ml bottles.

#### MOISTURE FILTER TRAP

**MA124418**

The Silver Bullet is the final defence to deliver clean, dry air to your airbrush. Small in size, the super-fine 5-micron filter element performs like a full size separator. The clear filter bowl allows a visual inspection of built up moisture and is evacuated through a spring-loaded release valve - without taking the filter off the airbrush.

The filter has a 1/8 BSP female outlet (9mm diameter), which fits straight onto airbrushes with a 1/8 BSP male inlet.

- Suitable for use with all airbrushes and compressors within the Mistair range

#### AIRBRUSH STAND (HOLDS 2)

**MA6025**

- Airbrush Holder for up to 2 airbrushes.
- Easy fix clamp for flat surfaces
- Top swivels for ease of use

#### AIRBRUSH STAND (HOLDS 4)

**MA6035**

- Airbrush Holder for up to 4 airbrushes.
- Can be affixed to compressor regulator or clamped to work top
- Top swivels for ease of use

#### MISTAIR™ AIRLINE LINK ADAPTER

**MA6015**

Create an airline as long as required by linking multiple airlines together with our airline link adapter

#### OUR 3m BRAIDED AIRLINE

**MA6028**

This braided airline is compatible with all airbrushes and compressors within the Mistair range.

- Hard wearing & robust – Braided exterior minimises wear and tear
- Ideal replacement for 3m straight airline

#### OUR 3m STRAIGHT AIRLINE

**MA6026**

This Nylon airline is compatible with all airbrushes and compressors within the Mistair range

- Small in volume and diameter – high volumetric flow rate

#### OUR 4m COILED AIRLINE

**MA6027**

Designed as a linking cable from compressor to the moisture filter trap, this airline aims to capture condensation between compressor and airbrush filter.

- This Coiled Nylon Hose fits all airbrushes and compressors within the Mistair range
- It is highly flexible and stretches to over 4 metres
- Coils help to trap excess condensation prior to reaching the airbrush

#### AIRBRUSH PRESSURE ADJUSTER

**MA6108**

Pressure Adjuster

This valve provides fine control of airflow to the airbrush. Pressure can be adjusted up or down with a quick turn of the dial.

- Maximise control of airflow
- Compatible with both airbrushes within the Mistair range

#### OUR REPLACEMENT NOZZLE
